

INTERVENTION

AA - Alcoholics Anonymous

Alcoholics Anonymous is an international fellowship of men and women who have had a drinking problem. It is nonprofessional, self-supporting, multiracial, apolitical, and available almost everywhere. There are no age or education requirements. Membership is open to anyone who wants to do something about his or her drinking problem.

Al-Anon

Al-Anon Family Groups meet in over 130 countries to help families and friends of problem drinkers recover from the impacts of a loved one's drinking. Members help each other by practicing the Twelve Steps of Alcoholics Anonymous themselves, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.

Next Level Recovery

Providing access to resources for prescribers, emergency personnel, community leaders, and persons with substance use disorder and their families is one of many important components that is taking Indiana to the Next Level against the opioid crisis.

People with substance use disorder have a disease and they cannot overcome it alone. Recovery involves support, respect and growth in the community and the individual.
